Ethiopian Starts Dedicated Freighter Service from Bahir-Dar to Europe to facilitate the Export of Horticultural Products

Addis Ababa: January 27, 2018

The National flag carrier, Ethiopian Airlines Group, is pleased to announce that it has launched a direct freighter flight from Bahir Dar to Liege, one of the largest Ethiopian flower importer destinations, carrying 45 tons of flowers on January 24, 2018.

Ethiopian has always been at the forefront to support the national economy with the massive availability of connections across the country. With its vastest domestic network in the continent, Ethiopian now flies to 21 domestic points with multiple frequencies enabling economic integration between and among regions, encouraging tourism, possible.

Regarding the milestone, Mr. Tewolde Gebremariam, Group CEO of Ethiopian Airlines remarked:

“Today marks yet another big milestone in the history of Ethiopian Cargo & Logistics Services for we start direct freighter service dedicated to flower with the aim of delivering the best flower produces of the country to end users fresh, timely and direct from the farm to Ethiopian flower lovers in Europe. With its daily freighter services to Belgium, Liege and Brussels, Ethiopian transports a total of 130 tons of flowers.”

As always, Ethiopian has positioned itself as the major catalyst for the movement of these products from the country to the world via its rich global network. Today’s milestone is a showcase that Ethiopian will also launch similar services from other flower producing regional states. Ethiopia being rich with abundant fertile land, it can reach to the global market with its fresh and quality flowers among other agricultural produces. We shall continue to support the export sector and the national economy with our convenient global cargo and passenger services.”

With Ethiopian’s more than 20 domestic destinations, travellers can now accomplish their business issues within hours getting back to their home in hours’ time.

Ethiopian domestic connectivity also plays a catalyst role in the economic, social, and cultural integration. Ethiopian will avail similar freighter services from other flower producing regional states such as Hawassa and others.

About Ethiopian

Ethiopian Airlines (Ethiopian) is the fastest growing Airline in Africa. In its seventy plus years of operation, Ethiopian has become one of the continent's leading carriers, unrivalled in efficiency and operational success.

Ethiopian commands the lion's share of the pan-African passenger and cargo network operating the youngest and most modern fleet to more than 100 international passenger and cargo destinations across five continents. Ethiopian fleet includes ultra-modern and environmentally friendly aircraft such as Airbus A350, Boeing 787-8, Boeing 787-9, Boeing 777-300ER, Boeing 777-200LR, Boeing 777-200 Freighter, Bombardier Q-400 double cabin with an average fleet age of five years. In fact, Ethiopian is the first airline in Africa to own and operate these aircraft.

Ethiopian is currently implementing a 15-year strategic plan called Vision 2025 that will see it become the leading aviation group in Africa with seven business centers: Ethiopian International Services; Ethiopian Express Services; Ethiopian Cargo & Logistics center; Ethiopian MRO Services; Ethiopian Aviation Academy; ET In-flight Catering; Ethiopian Ground Services, Ethiopian Airports and Ethiopian Skylight Hotel. Ethiopian is a multi-award winning airline registering an average growth of 25% in the past seven years.
