

## **PRESS RELEASE**

**CASABLANCA: June 02, 2017. Royal Air Maroc and Etihad Airways signed a Memorandum of Understanding for the development of their Cargo activities on Monday 29 May at the headquarters of the national company in Casablanca.**

The agreement was signed in the presence of Mr. Abdelhamid Addou, Chairman and CEO of Royal Air Maroc, David Kerr, Senior Vice President Cargo of Etihad Airways and Amine El Farissi, Cargo Manager of Royal Air Maroc (*pictured*).

This Memorandum thus declares a convergence of intent between the two parties to promote their trade cooperation. Royal Air Maroc Cargo is the leader in air freight transport in Morocco and offers a freight transport service throughout the Royal Air Maroc network, namely a hundred destinations, but also cargo flights that serve Europe daily and some African cities from the Casablanca hub.

To reinforce its network, its capacities and to have access to new markets, Royal Air Maroc Cargo is a partner of Etihad Airways Cargo. The networks of these two companies are complementary and allow the development of commercial synergies. In this context, RAM Cargo carries daily cargo from Abu Dhabi to the Americas via Casablanca.
